Camp Location:

Class Descriptions:

Chamber Music

Each student will be assigned to a chamber music group for the camp. Groups will have daily rehearsals coached by the Joyous faculty, as well as opportunities to perform in master class sessions.

Private Lesson Instruction

During the camp, there will be two scheduled private lessons per week for participants to collaborate with Joyous faculty on an individual basis.

Faculty Performance (Week 2, 3 and 4)

Joyous Faculty, joined by students and guest artists, will present three innovative chamber music performances open to the public.

Public Speaking

A crash course on speaking from the stage and to your audience. Finding avenues of relating the music to everyone; preparing an outline for what you are going to say; keeping it short (but passionate!); staying away from the "ums, likes, things"; identifying something important and personally relevant in the music, and then finding a way to present that to your audience. This allows the audience gain insight about the music, creating a more profound listening experience.
